EXPOMOBIL®

even greener than before

FLOORS  
FOR RENT

sustainability  
through reusability  
= money saved!

**LET'S TAKE THE ROUTE TOWARDS MORE SUSTAINABLE  
EVENTS, ONE FLOOR AT A TIME.**

**EXPOMOBIL®**  
Floor concepts for fairs - events - projects

## rented benefits

### **SAVES RESOURCES**

Good for the environment  
Reusable again and again  
And 100% recyclable

### **SIMPLE AND FAST**

Even unskilled workers can lay  
the floor quickly

### **REDUCE COSTS**

Renting reduces the cost per event,  
storage costs are a thing of the past

“We take responsibility and contribute to the reduction of CO2 emissions. Reusability helps to reduce one's carbon footprint and saves non-renewable resources. By renting your flooring in combination with a double floor system from one supplier, you have another option to act sustainably.

You can even contact us for construction and deconstruction services.  
We're happy to help!”
